

Dear Love & Care Parents,

Welcome to Love and Care Christian Preschool. A special "welcome back" to our returning families. We are excited to begin all the fun and learning that this new school year has in store. We had a GREAT summer and we hope that you did too. We are now ready to be back and get busy.

This month the children will be learning about school rules, our families, ourselves, apples, and bears. Please remember to bring your child's favorite Bear to school in this first week. We will measure, draw, parade, and read books to our favorite Teddies.

Back to School Night will be on September 15th at 6:30pm. We will be reviewing our policies and procedures and answering any questions you may have. We have scheduled one hour for this meeting. So, please read all of your papers and come prepared. Each teacher will have time to give you a brief overview of the goals for the year. Please remember this meeting is for Mommies and Daddies only.

We are so happy to welcome you into our school family.
God Bless.

Love,
Miss LaVelda
